- K.** Every notice hereby required or authorized to be given may be either given to the contractor personally or left at his residence or last known place of abode or business or may be handed over to his vehicle crew personally or may be addressed to the contractor by post at his usual or last known place of abode or business and if addressed and shall be deemed to have been served on the contractor on the date on which in the ordinary course of post, a letter so addressed and posted would reach his place of abode or business.
- L.** The rate agreed (in the date of opening of tender) shall be subjected to increase/decrease as fixed by the Union with effect from the date of opening of tender.
- M.** Tenderers should be prepared to accept orders subject to the penalty clause for the forfeiture of security in the event of failure to fulfill the contract as per the terms and conditions.
- N.** The rates quoted should be inclusive of all taxes, duties, cesses, toll etc., which are or may become payable by the contractor under laws in force from time to time or rules in force during the course of execution of the contract.

SPECIAL CONDITIONS FOR TRANSPORTATION OF MILK

1. The contractor is bound to transport milk from collection centers in the route awarded to him in both the shifts every day for the contract period. During the period, if the work of contractor is not found satisfactory, his contract will be terminated. The Union also reserves the right to extend the period of contract for a further period not exceeding 3 months and the contractor shall agree to such extension, if any.
2. Milk is to be transported in milk cans of 40 ltr capacity. The contractor is bound to transport the specified number of cans with milk by his vehicle in each shift. The Union will not provide any attendants and it shall solely be the responsibility of the contractor to assist in loading of milk cans from societies and it is the responsibility of the contractor to unload the milk cans at BMCC dock and open its lids. Tipping of milk at the BMCC dock can be executed either solely by the society staff or by the vehicle crew if situation warrants and directed accordingly by the authorized representative of the Union. In the latter condition, the contractor will be eligible to claim the tipping charge as per the prevailing norms in addition to the transportation charges.
3. The contractor will have to bring milk twice daily from the societies in the awarded route as per the time schedule issued by the district P & I Office and deliver it to the BMCC at the timing fixed by the Union. The contractor will have to return the empty cans to the societies twice every day. The contractor shall be allowed a grace time of 15 minutes over and above the specified time to reach the BMCC. If the contract vehicle reaches the BMCC later than the grace time, the contractor shall be fined ₹200/- for every 20 minutes or part thereof.
4. For the articles sent to the societies through the Contract vehicle, the Contractor will have to maintain necessary register according to the instructions from the authorized representatives of the Union.
5. If the vehicle fails on the road, it is the Contractor's responsibility to repair the vehicle or provide alternate transport and deliver the milk at the BMCC, within the scheduled time. The Union will not pay any transportation charges for the alternate vehicle so arranged by the contractor.
6. If the contractor is required to transport articles other than milk he will be paid extra at the following rates.
 - a. For article weighing up to 40 Kgs., the contractor will be paid at the rate ₹10/-per article.
 - b. For transporting ghee or milk products etc., the contractor will not be paid any additional charges.
7. Loss or damage due to improper working or non-adherence of instructions of the Union will be recovered from the Contractor.
8. The contractor shall inform the concerned Dairy / P & I Unit of any change in distance due to any reason within 24 hours. The contractor shall operate through the shortest possible route. The total reduction due to closure of societies or reduction in distance due to rescheduling of route should in no case be more than 15% of the notified distance in the tender. The contractor will be paid prorata, subject to the above condition.
9. The contractor will not be permitted to use any vehicle of smaller capacity other than already agreed to, without prior sanction of the District (P & I) Office. In case the contractor is permitted in writing to use a vehicle of smaller capacity than the one agreed to he will be paid only 80% of the contract rate per km, for

the transportation of the entire quantity of milk collected in that route and such a sanction obtained from district P& I unit shall be valid only for a maximum period of 3 months.

10. The contractor can transfer the contract to another person on payment of ₹ 2000/- to the Union along with the transfer application, which shall be made at least one month in advance of the date from which the transfer is to be effected. The Union, however will consider the transfer only if it is satisfied on the transferee's financial soundness and capabilities to undertake such contract. If the transfer of contract is agreed by the Union, the transferee shall agree to all the terms and conditions of the original contract. In the event of death of the Contractor, the contract may be transferred to the legal heir to whom the transfer of ownership of the concerned contract vehicle has been effected subsequently. No transfer fee shall be remitted in such cases.
11. Letters/correspondences from societies to Union / BMCC and vice-versa will be carried by the truck in letter box. Failure to do so will entail penalty at the rates fixed by the Union/Dairy.
12. For violation of speed limit, for carrying passengers and for cleaning the vehicle in BMCC premises, the Contractor will be penalized at such rates as may be fixed by the Union.
13. If the vehicle arrives at the reception dock of BMCC within the specified time and the milk turns sour, it will be treated as societies' responsibility. If the vehicle arrives later than the scheduled time and the grace time combined, and the milk turns sour, "the damage will be treated as due to the fault of the contractor and the cost of such spoiled milk will be recovered from the contractor".
14. No other material is to be transported with milk unless it is permitted by the Dairy/Union.
15. If the contractor or any of his employees, is found guilty of stealing milk during transportation, the entire shortage occurred any time in that route from the date of award of the contract will be realised from the contract and his contract is liable to be cancelled.
16. Payment to the contractor will be made every 15 days against submission of bills by him. He should submit the bill for 1st to 15th on 17th of the same month and for 16th to 31st by 2nd of the subsequent month to the concerned P & I units.
