Unit Head
Marketing Cell

Terms & Conditions for e-Procurement

This tender is an e-tender and is being published online. The tender is invited in two cover system from the registered and eligible firms through e-procurement portal of Government of Kerala (<https://www.etenders.kerala.gov.in>). Prospective bidders willing to participate in this tender shall necessarily register themselves with above mentioned e-procurement portal.

The tender time line is available in the critical date section of this tender published in www.etenders.kerala.gov.in.

a. Online Bidder registration process:

Bidders should have a Class II or above Digital Signature Certificate (DSC) to be procured from any Registration Authorities (RA) under the Certifying Agency of India. Details of RAs will be available on www.cca.gov.in. Once, the DSC is obtained, bidders have to register on www.etenders.kerala.gov.in website for participating in this tender. Website registration is a one-time process without any registration fees. However, bidders have to procure DSC at their own cost. Bidders may contact e-Procurement support desk of Kerala State IT Mission over telephone at 0471- 2577088, 2577188, 2577388 or 0484 – 2336006, 2332262 - through email: etendershelp@kerala.gov.in for assistance in this regard.

b. Online Tender Process: The tender process shall consist of the following stages:

- i. **Downloading of tender document:** Tender document will be available for free download on www.etenders.kerala.gov.in. However, tender document fees shall be payable at the time of bid submission as stipulated in this tender document.
- ii. **Pre-bid meeting:** 3 days before submission of Tender, at TRCMPU Head Office, Ksheera Bhavan, Pattom
- iii. **Publishing of Corrigendum:** All corrigenda shall be published on www.etenders.kerala.gov.in and shall not be available elsewhere.
- iv. **Bid submission:** Bidders have to submit their bids along with supporting documents to support their eligibility, as required in this tender document on www.etenders.kerala.gov.in. No manual submission of bid is allowed and manual bids shall not be accepted under any circumstances.

v. Opening of Technical Bid and Bidder short-listing:

The technical bids will be opened, evaluated and short listed as per the eligibility and technical qualifications. All documents in support of technical qualifications shall be submitted (online). Failure to submit the documents online will attract disqualification. Bids short listed by this process will be taken up for opening the financial bid.

vi. Opening of Financial Bids: Bids of the qualified bidder's shall only be considered for opening and evaluation of the financial bid on the date and time mentioned in critical date's section

c. Documents Comprising Bid:

i. The First Stage (Pre-Qualification or Technical Cover based on 1 cover or 2 cover tender system):

Pre-Qualification or technical proposal shall contain the scanned copies of the following documents, which every bidder has to upload:

- a. Self attested copy of RC book to prove the ownership of the vehicle / Document to prove the make (Year) of the vehicle

OR

Proforma invoice in case new vehicle is being purchased

OR

Agreement (format attached Page no.45) executed by the tenderer for producing the vehicle as per the tender norms within the stipulated period specified by dairy

b) Documents in proof of PUF insulation done for the container body of the vehicle, in case the vehicle is having PUF insulation at present.

c) Copy of Aadhaar Card in proof of Address.

d) Tender document duly signed on all sheets.

e) Agreement (format enclosed) executed in Rs.200/- Stamp paper. (page No13 & 14)

The department doesn't take any responsibility for any technical snag or failure that has taken place during document upload.

ii. The Second Stage (Financial Cover or as per tender cover system):

The Bidder shall complete the Price bid as per format given for download along with this tender.

Note: The blank price bid should be downloaded and saved on bidder's computer without changing file-name otherwise price bid will not get uploaded. The bidder should fill in the details in the same file and upload the same back to the website.

Fixed price: Prices quoted by the Bidder shall be fixed during the bidder's performance of the contract and not subject to variation on any account. A bid submitted with an adjustable/ variable price quotation will be treated as non-responsive and rejected.

d. Tender Document Fees and Earnest Money Deposit (EMD)

The Bidder shall pay, a tender document fee and Earnest Money Deposit or Bid Security. The Bid security is required to protect the purchaser against risk of Bidder's conduct, which would warrant the forfeiture of security.

**e. STEPS FOR MAKING TENDER PAYMENTS IN ETENDER SYSTEM VIA SBI MOPS GATEWAY
(SBI AND NON-SBI ACCOUNT HOLDERS)**

Step 1) Click **"Pay Online"** when you reach below page while Online Bid Submission.

Step 2) Click **"Confirm to Pay"** to proceed with the payment gateway.

Note: Please ensure that you have availed Tender Fee / EMD Exemption, if eligible. Further, there would not be any provision to change back, under any circumstances.

Step 3) Verify that the Tender fee and EMD shown are correct, as per tender document. Then, select the payment option SBI MOPS and Submit.

Note: In case of any mismatch in tender payments, with reference to tender documents, please contact TIA for clarifications.

Step 4) Check and Follow the Terms and Conditions, and then Submit,

Step 5) Bidders may choose their respective bank for accessing Internet Banking Facility.

SBI ACCOUNT HOLDERS

- i. Bidders with SBI account may click SBI option to proceed to its Net Banking Page

- ii. Bidders may enter SBI Net banking user ID and Password and Click on **Login** to proceed.
- iii. **Please ensure that your account has sufficient balance**, before proceeding further. After checking the same, Click **Confirm** button to transfer payment. After account debit, MOPS gateway will automatically re-direct to the eProcurement System, with the Success transaction.
- iv. You will receive bank response immediately by verifying the payment status, whether **Success** or not. **In case, payment was debited from account and further, Payment Failure** is shown, immediately contact the e-Procurement helpdesk, for resolution, **before tender closing time**.
- v. Click **next** to go to Bid Preparation details.
- vi. Please ensure that the **Pay Online** option is not shown after successful payment, as below, for confirmation. From here, you may proceed with **Encrypt and Upload** to upload tender documents, and further submission process.

OTHER BANKS:

- a) Bidders with other bank account may click **Other Banks** option to proceed to SBI Net Banking Page
- b) You may select the appropriate Bank from selection page. As an example, steps are given below, proceeding with ICICI Bank in the provided dropdown box of All Banks, as an example.
- c) After selecting ICICI Retail Banking, Click **Make Payment** Button to proceed to its internet banking page. Further steps may depend on the Bank Procedure.
- d) After, successful payment, system will direct you to payment confirmation page.
- e) You will receive bank response immediately by verifying the payment status, whether Success or not. In case, payment was debited from account and further, Payment Failure is shown, immediately contact the e-Procurement helpdesk, for resolution, before tender closing time.
- f) Click **next** to go to Bid Preparation details.
- g) Please ensure that the Pay Online option is not shown after successful payment, for confirmation. From here, you may proceed with **Encrypt**

and Upload to upload tender documents, and further submission process.

For any clarifications regarding above payment process or related issues in Kerala e-Procurement System, please reach KSITM e-Procurement Helpdesks via below details:

f. SUBMISSION PROCESS:

For submission of bids, all interested bidders have to register online as explained above in this document. After registration, bidders shall submit their Technical bid and Financial bid online on www.etenders.kerala.gov.in along with online payment of tender document fees and EMD. For page by page instructions on bid submission process, please visit www.etenders.kerala.gov.in and click "Bidders Manual Kit" link on the home page.

It is necessary to click on "Freeze bid" link / icon to complete the process of bid submission otherwise the bid will not get submitted online and the same shall not be available for viewing/ opening during bid opening process.

TERMS & CONDITIONS

1. Security (Earnest Money Deposit):

- a. The Bidder shall furnish, as part of its bid, bid security for the amount as specified in the invitation for bid through **ONLINE as indicated in the E-tender notice.**
- b. The bid security is required to protect the TRCMPU against the risk of Bidder's conduct, which would warrant the security's forfeiture.
- c. The bid securities of the unsuccessful bidders shall be refunded as promptly as possible, but not later than 30 days after the expiry of the period of bid validity as prescribed in these documents through **ONLINE NEFT TRANSACTION.**
- d. No interest shall be paid by TRCMPU on the bid security furnished by the bidder.
- e. The bid security may be forfeited if a Bidder withdraws its bid during the period of bid validity specified by the Bidder on the Bid Form; or in the case of successful Bidder, if the Bidder fails:
 - I. To sign the contract
 - II. To furnish performance security

2. Documents

The documentary evidence of the Bidder's qualifications to perform the Contract if its bid is accepted shall be established to the TRCMPU's satisfaction. To this end, all bids submitted shall include the following documents.

a. Self attested copy of RC book to prove the ownership of the vehicle/ Document to prove the make (Year) of the vehicle

OR

Proforma invoice in case new vehicle is being purchased

OR

Agreement (format attached Page no. 45) executed in Rs.200/-Stamp paper by the tenderer for producing the vehicle as per the tender norms within the stipulated period specified by dairy

b)Documents in proof of PUF insulation done for the container body of the vehicle, in case the vehicle is having PUF insulation at present.

c)Copy of Aadhaar Card in proof of Address.

d)Tender document duly signed on all sheets.

e)Agreement (format enclosed) executed in Rs.200/-Stamp paper.(page No.13&14)

3. Price Basis:

The bidder shall quote their rates in the standard BOQ provided indicating the breakup details. The quoted rate shall be inclusive of all applicable taxes, duties, packing and forwarding, freight and insurance.

4. Validity

The offer should remain valid for acceptance for a period of 90 (Ninety) days from the date of opening of bids.

TECHNICAL SPECIFICATIONS: 3 MT and 5 MT PUFF INSULATED CONTAINER

Insulated Body

1. The external wall of the container shall be of corrugated design for strength and longevity.
2. The outer shell shall be manufactured out of Mild Steel, press formed into various profiles The structural shall be made out of 2.5 mm thickness sheet and side/end panels will be of

corrugated sheet of thickness of 1.6 mm. All cross members shall be manufactured out of 2.5 mm thick SS 202 grade sheet.

3. All bolts and nuts used in the fabrication work shall be of stainless steel.
4. Outer shell shall be of all- welded construction and welding done with CO2 shielded MIG welding process.
5. The container roof, side & end wall panels shall be made out of 1.6 mm thick MS Corrugated sheet.
6. All panel joints shall be continuously welded for better strength and appearance.
7. The Body, outer shell after fabrication, shall be chemical treatment to remove rust, dirt and other materials.
8. The cleaned surface shall be painted in spray – painting process. The painting scheme is as under.

Scheme	Interior	Exterior	Under Structure
Primer Coat	Zinc Rich Epoxy Primer	Zinc Rich Epoxy Primer	Zinc Rich Epoxy Primer
Top Coat		Aspa Auto Coat	Bituminous Paint

9. The external paint colour shade and marking shall be as per specific requirements from party.
10. All six sides of the body are homogeneously insulated in Polyurethane cast in – situ. The PUF material shall have average density of $40 \pm 2 \text{ kgm}^3$ and thermal conductivity value of 0.017 W/m deg.K . The minimum insulation thickness shall be 70 mm.
11. The inner body side /ends and roof shall be lined with 0.3mm thick SS Sheet (304 2B Grade) bonded to Marine Grade Plywood 6 mm thick manufactured out of 100% Keruing Timber.
12. All panel joints are sealed with press formed SS sections fastened with SS pop rivets.
13. For the insulated body the floor shall have 1.6 mm thick SS 304 grade Checkered sheet laid in the form of a tray and all joints welded in the TIG welded process. The skirting will be min.150 mm. The inner bottom shall be lined with Marine Grade Plywood 12 mm thick manufactured out of 100% Keruing Timber.
14. The body shall have 1280 mm width door opening & double leaf-insulated doors fitted with outer seals and door locking mechanisms & Hinges with Hingh Brackets.
15. The body shall be provided with Corner fittings at all eight corners to facilitate easy handling & lashing.
16. The PUF Insulated body suitable for direct mounting on Truck Chassis shall have milk carrying capacity of
 - 245 plastic ISI CRATES OF 12 LTR (471 X 378 X 175 mm) capacity each in the case of 3.0 MT Container.

- 400 plastic ISI CRATES OF 12 LTR (471 X 378 X 175 mm) capacity each in the case of 3.0 MT Container.

17. Two nos of water proof 12 V light assembly shall be fixed on the top with controls at suitable points.

Frames & Accessories

1. The insulated body shall be provided with a integrated frame, which is directly welded / bolted on to bottom structure of the body. The integrated frame will be complete with U bolts, fasteners, balata packing / wooden runners etc for direct mounting on to the chassis.
2. "The PUF Insulated Body" shall be suitable for direct mounting on to the Chassis provided by us, as detailed below. The other accessories such as rear mud guard, rear lamp protection grill ; ring ladder etc shall also be fabricated and supplied.

The dimensions of the Body for 3.0 MT 245 Trays

Dimensions	Length	Width	Height
External	3075 mm	1700 mm	1850 mm
Internal	2875 mm	1560 mm	1625 mm

The dimensions of the Body for 5.0 MT 400 Trays

Dimensions	Length	Width	Height
External	4020 mm	2070 mm	1850 mm
Internal	3820 mm	1930 mm	1625 mm
